THE UNITED REPUBLIC OF TANZANIA MINISTRY OF AGRICULTURE

TANZANIA FOOD SYSTEMS RESILIENCE PROGRAM (TFSRP)

PROJECT NO: P179818

The Government of the United Republic of Tanzania has received financing in the amount of **US\$ 300 million** equivalents from the World Bank towards the cost of the **Tanzania Food Systems Resilience Program (TFSRP)**, using a Performance for Results (PforR) approach. The objective of the Program is to support food systems resilience by strengthening Agricultural service delivery, the adoption of climate resilient technologies and fiscal performance in the Agricultural sector. About US\$ 5 million of the proceeds will be used for direct payments of Goods and consulting services to be procured as part of technical assistance (TA) under this program.

The purpose of this GPN is to inform eligible Suppliers and Service Providers who would wish to be considered for the supply of goods and provision of consulting services for the US\$ 5 million technical assistance component of the Program. Tender opportunities during the Financial Year 2023/2024 as indicated here below:

S/N	Description of Tender Opportunities
1.	Procurement of ICT equipment and accessories
2.	Procurement of office furniture
3.	Procurement of water measuring devices
4.	Consultancy service for development of guidelines to support the implementation of improved OMM system
5.	Consultancy services for preparation of Monitoring and information system for public irrigation schemes
6.	Consultancy services for preparation and dissemination of design guidelines and technical training
7.	Consultancy service for conducting technical evaluation of ARDS
8.	Consultancy service for provision of training on ARDS to Regional and District Extension officers on ARDS
9.	Consultancy service for developing roadmap for Soil carbon financing including mapping out pathway for MOA and GOT to be certified as recipients of climate financing and co-lead proposal for monitoring reporting and verification (MRV) system design.
10.	Consultancy service for developing reporting tools system.

Procurement of contracts financed by the World Bank will be conducted through the procedures as specified in the World Bank's Procurement Regulations for IPF Borrowers Fourth Edition, November 2020 and is open to all eligible firms and individuals as defined in the *Procurement Regulations*. After project negotiations, the World Bank shall arrange the Publication on its external website of the agreed initial Procurement Plan and all subsequent updates once it has provided a no objection.

Specific procurement notices for contracts subject to open international competitive procurement will be announced, as they become available, in *UN Development Business online*, on the *World Bank's external website*, on *MOA's website* www.kilimo.go.tz and in regional and Local Newspapers that is, Daily News and National e- Procurement System of Tanzania (*NeST*).

Most of Procurement activities for TFSRP Program will be processed through *NeST*. Thus, all eligible bidders interested to participate in bid/tender opportunities under this Program are required to be registered as users of the system. The registration is open to all local and international bidders. Bidders already registered to use *NeST* need not to register again. All bidders are encouraged to use the system User Guides or Suppliers Training Videos which can be accessed at <https://www.nest.go.tz>

Prequalification of suppliers/contractors will not be applicable for these contracts.

Interested eligible bidders/suppliers and service providers who would wish to supply goods and provision of consulting services for the program of TFSRP, or those requiring additional information, should contact the Ministry at the address below:
